Test 1:

Notes:
-Subject is unfamiliar with viral social media – good base for new users
-Recognized purpose of site right away
-Did not try to see further content on main page

Problems:
-Failure to register with taken name didn't auto refresh the form
-Slight hiccup on finding account history

The Good:
-Knew how to post a link with ease
-Knew where posted content would end up, recognized from the content being on the homepage
-Recognized that these links are unfiltered

Suggestions:
-Link previews
-Easier Registration
